

BEFORE YOU BOARD

QUESTIONS? NO PROBLEM!

We've provided this helpful list with some of our most common inquiries on how to prepare for your cruise, what to expect once you're on board, billing information and more!

QUICK LINKS

PREPARE FOR YOUR CRUISE

WHAT DO I BRING?

Visit [Prepare For Your Cruise](#) for details on required travel documents, online check-in and tips on what to pack. We **strongly** recommend online check-in for the smoothest boarding process.

WHEN DO I ARRIVE AT THE TERMINAL?

Guests can select their arrival time during online check-in. For guests who have not completed online check-in, we recommend arriving to the cruise terminal after 12 pm, and at least two hours prior to the scheduled departure time.

WHAT AMENITIES ARE INCLUDED WITH MY STATEROOM CHOICE?

Amenities differ depending on the stateroom selected. To learn more about amenities included with your stateroom, please visit our page [here](#).

WHAT IS THE NORWEGIAN CRUISE LINE MOBILE APP?

Before you set sail, download the Norwegian Cruise Line mobile app and step into a world of effortless planning. With just a few taps, you can breeze through online check-in, explore upgrades and reserve your favorite dining, spa treatments and shore excursions! Once you're on board, the adventure continues right at your fingertips: View your cruise itinerary and the Freestyle Daily, book or change dining reservations, keep track of your stateroom account, browse deck plans and so much more.

HOW CAN I BOOK DINING?

Planning your onboard dining is simple. Log in to your My NCL Account at [ncl.com](#) or open the Norwegian Cruise Line® mobile app to access your reservation and make dining reservations. While we recommend securing your dining plans before you sail, reservations can also be made onboard through the Norwegian Cruise Line® mobile app, your stateroom phone, or by speaking with the host or hostess at your chosen restaurant. If plans change, updates or cancellations are easy to manage right in the app. All reservations are subject to availability, so we encourage you to book early to enjoy your preferred dining experiences.

CAN I USE CASH ON BOARD?

For your convenience, all shipboard expenses are charged to your onboard account.

ARE THERE ATMS ON BOARD?

Yes, there are ATMs available fleetwide.

IF I NEED AN ACCESSIBLE STATEROOM, COULD I REQUEST ONE ONCE ON BOARD?

Although you can visit the Guest Services desk to inquire about an accessible stateroom, there are no guarantees as rooms are subject to availability. We recommend calling NCL at 800.327.7030 as soon as possible to check availability rather than waiting until embarkation day.

WHAT IS A TENDER AND DO I NEED TO BOOK IT?

A tender boat is a smaller vessel used to transport guests between the cruise ship and ports of call when the ship cannot dock directly at the port.

If the ship requires you to book the tender boat, you will be notified when on board.

WHAT ARE INTERNET PACKAGES?

If you booked your cruise with our Free at Sea® package, you can view everything that's included [here](#). Your package comes with 150 minutes of high-speed Wi-Fi powered by Starlink. Want to stay connected longer?

You can upgrade to an Unlimited Wi-Fi package—with or without streaming—available right in the app, from your stateroom, or at the onboard Internet Café. Guests who upgraded to Free at Sea Plus enjoy unlimited high-speed Wi-Fi with streaming included. For full details on our Unlimited Wi-Fi packages, continue [here](#).

*Beginning November 5, 2025, we transitioned from the More at Sea™ package to a refreshed Free at Sea™ package. As such, reservations booked on or before November 4, 2025 will see More at Sea reflected on their reservation.

UPON ARRIVAL

WHEN CAN I EXPECT MY LUGGAGE ONCE ON BOARD THE SHIP?

Luggage tags can be printed from your e-docs. Before the embarkation process, ensure your luggage tags are placed appropriately on each piece of luggage with your stateroom number clearly identified. The *Freestyle Daily* will have the approximate time that luggage delivery will end.

WILL MY STATEROOM BE AVAILABLE AS SOON AS I GET ON BOARD?

There is no guarantee that your stateroom will be available as soon as you board. As such, we recommend bringing a carry-on bag with essentials you may need.

WHAT HAPPENS IF MY LUGGAGE IS LOST, DELAYED OR DAMAGED BY THE AIRLINE?

If your luggage is lost by the airline, please contact them as soon as possible to identify how they can assist you. Additionally, please kindly notify our onboard Guest Services team.

WHAT IS A MUSTER STATION AND WHERE CAN I FIND MINE?

A muster station – sometimes called an “assembly station” – is your designated checkpoint in the unlikely event of an emergency. You’ll find your muster station clearly marked in several convenient places: on the bottom right-hand side of your Freestyle Card (stateroom key), which you’ll receive at check-in; on the signage behind your stateroom door; and on the main menu of the Norwegian Cruise Line mobile app. If you ever need help locating your muster station while on board, our friendly shipboard team members are always ready to assist.

WHERE CAN I CONFIRM HOW MUCH ONBOARD CREDIT I HAVE?

You can view your onboard credit in your folio/onboard account which is accessible on the Norwegian Cruise Line app or on your stateroom TV.

WHAT ARE MY LATITUDES REWARDS® BENEFITS?

Latitudes Rewards benefits differ depending on your Latitudes Rewards tier. To learn more about Latitudes Rewards, visit our page [here](#) or view on the Norwegian Cruise Line app’s main menu.

WHEN DOES THE LATITUDES REWARDS TIER UPDATE ON MY ACCOUNT?

If applicable, Latitudes Rewards points and tiers will reflect on your account after the sailing has been completed.

FREE AT SEA™

I CHOSE FREE AT SEA PROMOTIONS WHEN ORIGINALLY BOOKING MY CRUISE. WHY ARE THE PROMOTIONS NOT BEING REFLECTED ON MY RESERVATION?

If you make a change to your reservation such as upgrading your stateroom or changing categories, it is important to review your reservation to ensure that all the promotions you chose previously are still present.

HOW CAN I UPGRADE MY FREE AT SEA PACKAGE TO FREE AT SEA PLUS?

To add Free at Sea Plus before you sail, you can manage your reservation through your My NCL account, the Norwegian Cruise Line app, or give us a call at 1-866-234-7350. Guests residing outside the U.S. or Canada can find local contact information at www.ncl.com

WHY WOULD THERE BE A \$50 CHARGE FOR SHORE EXCURSIONS ON MY ONBOARD ACCOUNT?

If you book a shore excursion and chose the \$50 shore excursion nonrefundable credit as part of the Free at Sea promotion, you will notice a \$50 credit in your onboard account.

In the rare event your shore excursion is canceled, your onboard account will reflect a \$50 charge, which will zero out the \$50 credit per port.

CAN I CHANGE THE FREE AT SEA PROMOTIONS I SELECTED ONCE ON BOARD?

Free at Sea may be modified up to 24 hours before sailing and is available for purchase on the first and second day of your cruise. Please note that onboard pricing may differ from what's offered before your cruise.

WHAT IF I DIDN'T TAKE ADVANTAGE OF FREE AT SEA AT THE TIME OF BOOKING, BUT WOULD LIKE TO ADD IT NOW?

To add Free at Sea to your reservation prior to sailing, please call us at 1-866-234-7350. Guests residing outside of the U.S. or Canada should visit www.ncl.com for local contact information.

BILLING/ACCOUNT INFORMATION

WHAT IS A SERVICE CHARGE AND WHY WAS I CHARGED ONCE ON BOARD?

Staff members, including complimentary restaurant staff, stateroom stewards and behind-the-scenes support staff, are compensated with a combination of salary and incentive programs that your service charge supports.

HOW DO I CHANGE THE METHOD OF PAYMENT OF MY ONBOARD ACCOUNT?

To change the method of payment, please visit Guest Services or the Onboard Credit desk.

CAN I PREPAY SERVICE CHARGES PRIOR TO SAILING?

Yes! You can prepay service charges by adding them to your reservation up to 24 hours prior to embarkation in your My NCL Account, by contacting your travel advisor or during the online check-in process. If you do not prepay, you will be charged on board.

For more information, visit our page [here](#).

WHAT IS THE UPDATE ON MY UPGRADE ADVANTAGE PROGRAM BID?

If your Upgrade Advantage offer is accepted, your reservation will be automatically upgraded and the credit card you submitted at the time of bidding will be charged. If your Upgrade Advantage offer is not accepted, you will receive an email notifying you; you will not be charged any additional amount, and you will stay in the stateroom that you originally booked.

CAN I USE THE SAME CREDIT CARD FOR ONBOARD CHARGES FOR MORE THAN ONE GUEST?

You can choose to apply the same form of payment to everyone in your cabin during the online check-in process, which occurs between 21-3 days prior to sailing.

To use the same form of payment for traveling companions in different staterooms, please do so during the check-in process on the day of embarkation at the port or on board at the Guest Services desk.

WHY IS MY ACCOUNT CLOSED?

There are a few reasons why onboard accounts may be closed – please visit Guest Services for assistance.

Should you need assistance, please visit Guest Services once on board.

WHY IS THERE A HOLD ON MY CREDIT CARD AFTER THE FIRST PAYMENT WAS CHARGED ON BOARD?

At check-in, the credit/debit card is swiped, and an initial approval amount is obtained with your authorization signature. The maximum initial credit/debit card pre-authorization amount (hold) is \$300.00 USD for all cruises.

During embarkation, when your credit card is swiped, an initial approval amount is charged. Throughout the cruise, incremental holds will be placed as needed based on your daily spending.

The credit card is not charged until the end of the cruise. Holds will reduce the amount of available credit on the credit card or restrict the availability of cash in the checking/debit account. The timing of authorization hold releases to your account is entirely up to the issuing bank and beyond Norwegian Cruise Line's control. The total amount of the onboard account will be charged (settled) only at the end of the cruise. Generally, this will show as one payment on your credit card statement unless there were multiple payments made throughout the cruise, such as for last-minute purchases on disembarkation morning or late mini-bar charges.
